Funeral this Friday—Children Singing

Our sister in Christ, Dorothy Askildson, passed away this past weekend. Dorothy was a strong supporter of Christian education and loved hearing our students sing in worship. Her family has requested that the school children sing for her funeral this Friday at 11am.

Grades K-2 will sing “Jesus Love Me” at the very beginning of the worship service and will then be dismissed to go about their regular school day schedule.

Grades 3-8 will sing the song they learned last week, “For Me to Live Is Jesus”. They will attend the service.

Students should plan to dress respectably in worship attire for the morning.

Our Christian Cornerstone

Bible Lessons This Week:

The theme this week... **Lack of trust is sin, but God forgives**, begins with the lesson of *Jacob Tricks Isaac* followed by *Jacob's Dream*. The students learn how Jacob deceived his father, Isaac, into giving him the blessing of the firstborn. When our children sinfully try to get things for themselves through lying, cheating, or stealing, we discipline them. Handing out consequences can lead them to see their sin. But it shouldn't stop there. We encourage them with God's promises to forgive their sins and to provide everything they need. At times like these, we may pray together with our children: *Heavenly Father, forgive our dishonest words and actions. Help us to trust you to provide all that we need. In Jesus' name we pray. Amen.*

Hymn This Week:

*I Am Trusting You,
Lord Jesus*

Christian Worship #446

(due week of 10/14)

Kindergarten: v. 1
Grade 1-2: v. 1-2, 6
Grade 3-4: v. 1-2, 6
Grade 5-6: v. 1-4, 6

In the second lesson, the students learn that God is always with us. God sent Jacob a beautiful dream: angels ascended and descended a stairway from earth to heaven. Then God himself appeared at the top and reassured Jacob, "I am with you and will watch you wherever you go." What a comfort to us and our children that, through the hustle and bustle, the trials and troubles of life, we are never alone. Our loving God is with us!

Bible Lessons For Next Week:

Next week's theme is... **When sorrows enters our lives, God is with us**, with the lesson of *Jacob and Laban* followed by *Jacob Returns to Canaan*. The students learn how God taught Jacob how to rely on the Almighty instead of relying on himself.

Hymn Next Week:

O God, Our Help in Ages Past

Christian Worship #441

(due week of 10/27)

Kindergarten: v. 1
Grade 1-2: v. 1-2, 6
Grade 3-4: v. 1-3, 6
Grade 5-6: v. 1-4, 6

In the second lesson, the students learn how Jacob showed his complete trust in God. He relied on His promises, persistently prayed for His blessing, and then thanked Him for all that He had done. As we lead our children in prayer, we can teach them how to be wrestlers. We can persistently plead for the same thing again and again. We can boldly "hold" God to His promises to bless us, not because He forgets them, but because our reminders show faith in those promises. And even as we boldly wrestle, we can humbly assert our own unworthiness with Jacob's words, "*I am unworthy of all the kindness and faithfulness you have shown your servant.*" Our loving God invites us to pray this way, and we can teach and encourage our children to do so.
