Turn in your permission slip with a head-count for the bowling (\$5/bowler) in a labeled envelope. Our Christian Cornerstone

Bible Lessons For Next Week:

The theme of “**God wants us to follow His direction rather than our own**” begins with the lesson of *Moses Leaves Egypt* followed by *God Calls Moses*.

The students see how Moses tried things his own way and failed. Yet God brought Moses back to serve as a leader for His people. God guides us through His Word as summarized in the Ten Commandments. The law shows us how to live, not in order to be saved—for we could never save ourselves—but to thank Him for saving us. As we read and ponder His Word, may the Spirit strengthen our trust in God’s help and our desire to follow His guidance throughout our lives.

Falling Leaves

Leaves, leaves, leaves are falling all around us. The 6th and 7th graders are working their way to DC (Spring 2018). If you would like their assistance in raking your lawn, please contact RaeAnne Boldt at 280-9263 to help arrange for the students to come help you out. 100% of the donations go to the students providing services.

Policy Review: School Closings

In the case of inclement weather, RLS follows the closing and late start announcements of Rochester Public School district. Tune in to local TV and FM radio stations (106.9 or 102.5) or check out www.PostBulletin.com. Better yet: sign up on the RPS website for their “Skylerts” alerts and advisories.

Please do NOT call the school to ask if we will be closing. We will send an email notifying all families as soon as we receive notification from RPS.

Whenever school is closed due to severe weather, all after school and evening events/activities are cancelled as well.
