

Influenza Vaccination Clinic Offered at School

Our school has partnered with your child's clinic to provide the flu vaccine at school. This is a fast, easy, and convenient way to keep your children, our school, and our community healthy throughout the year.

This year there is a FIXED registration period.

Registration is required.

Sign up between **August 9 and September 13, 2017.**

Online registration is preferred; however, paper forms will be available at the school after school starts.

What else do I need to know?

- Information and registration is available at <http://www.semnic.org/schoolfluclinics.aspx>
- Only the flu shot is available this year.
- Non-medication pain reducing options will be offered.
- Your health insurance will be billed just like it is in your clinic.
- If you don't have insurance, your child can still get vaccinated.
