

Resurrection Lutheran School

Hot Lunch Program

Thank you for participating in our School Hot Lunch Program. Our goal is to make meals kid friendly and healthy. Our cooks are trained certified food managers. We are licensed and monitored by the State of Minnesota. This means that we have nutritional and cooking guidelines that we need to follow to ensure your child's health and safety.

Resurrection has a pre-pay policy. Money needs to be in your account before your child can eat. We have a lunch ID program that will bring up your account information for the point of sale person to verify and then charge the student accordingly for the current purchase. Statements regarding your lunch balance will be sent via email every two weeks. Checks can be given to our school secretary in the office. Please make checks out to RLS Hot Lunch with your child's name in the memo.

It is your responsibility to keep track of your student's lunch account. If your account dips below \$0, you may notice an increase of communication from us. In the event there is no communication from the parent(s), a meal alternative will be provided (ex: cheese sandwich a7 milk at a charge of \$1.00/meal until payment is received).

Lunch prices. PreK through 4th grade is \$2.50/meal, 5th-8th grade is \$2.70/meal. Milk is included with the meal. Students with sack lunch can purchase milk for \$0.40. Eligible students may get school lunch free or at a reduced price of \$0.40/lunch. All meals served must meet standards established by the U.S. Department of Agriculture.

Modifications. If a student has been determined by a physician to have a disability and the disability prevents the student from eating the regular meal, the school will make modifications or substitutions prescribed in writing by the physician at no additional charge. **Lactose-intolerant students need a written request from the parent/guardian to have the school provide lactose-reduced milk. This request must be made in writing to Marla Brandmeyer, Hot Lunch Manager, Resurrection Lutheran School, 4520 19th Avenue NW, Rochester, MN 55901.**

Application for Educational Benefits. Parents/guardians who wish to apply for free or reduced lunch benefits need to complete an application. Applications are available at registration or can be picked up anytime in the school office. If you received free or reduced meals last year you must reapply this year. Meal benefits begin when application is approved.

If you have any questions or concerns about any of the above information please feel free to call the school office at 282-8280 or Marla Brandmeyer, Hot Lunch Manager, at 269-1527.
