Preparing lives for Christian service

May 3, 2018

Dear Parents and Students,

God is gracious and loving in all that He does for us. One of His blessings is Christian education. Through Christian education, we work at home and school to share what the Bible tells us regarding who God is and what He has done for us. It also informs every aspect of life in our school by addressing the most significant need of every child, parent, and teacher. We are hopelessly flawed by sin. But God's Word assures us that by faith we are His forgiven and redeemed children, because of the sacrifice of His son. Our prize is eternity with Him in Heaven.

A few notes about the coming school year:

Registration On-Going: We use TADS for our school registration, tuition management and payments. Returning families should have already received an email with a unique weblink to complete enrollment for the new year. New families may use: <http://mytads.com/a/resurrectionrochester> and begin the process.

Staff Update - We are looking forward to several new staff members joining our faculty. Our new principal, Mr. Mark Renner, and our new 3rd grade teacher, Mr. Scott Luepke, will begin with RLS on July 1st. Our other teachers will be continuing on in the following grades: Mr. Ian Watson (7th/8th), Miss Anne Hagglund (6th), Mrs. Michelle Hardinger (4th/5th), Mrs. Hope Bourman (2nd), Mrs. Karen Broring (1st) and Mrs. Diane Thompson (K). In our preschool department, we'll again see Mrs. Polly Bitter (Director), Mrs. Kristin Watson (teacher), Mrs. Krista Lange (teacher's aide) and Mrs. Michele Heminger (extended care).

Tuition Assistance – Please submit your requests via TADS; they will audit all requests and make recommendations for assistance. Families will be informed about additional assistance they can expect. Questions? Contact Mr. Bob Shultz (finadmin@resurrection-wels.org)

Save the Date! Our Property Maintenance Committee usually schedules the first Saturday in August as a **School Work Day** to take care of many school projects; we haven't confirmed the date at this time—so check [the website calendar](#) later on. Many volunteers are needed for this busy day! Thanks!

Home Visits – These visits are made by K-4th grade teachers and provide an opportunity for you to get to know one another a bit and discuss the year ahead. Expect a phone call or email in early August to schedule a visit. Parents with children in Grades 5-8 may request a personal visit at home or school.

Open House & Back to School Picnic - Thursday, August 23rd: there's time to visit the classrooms, catch up with friends, then head out to the picnic on the school grounds. Everyone's invited!

Handbooks – we haven't updated our [Parent/Student Handbook](#) or our [ESCaPE Childcare Handbook](#) for the new year (yet) but will be doing so in the weeks ahead. In the meantime, the current year books are great sources of information about how our school works.

Preschool – If you have questions about Precious Lambs Preschool, pop over to the preschool tab on our website, or contact our [director](#) for more info or to set up a tour.

God's blessings on your summer,

Mr. Ron Helmers
Principal
